

Hanuman Fellowship Membership

The Hanuman Fellowship is a self supportive community dedicated to the attainment of peace. In order to attain this mission and carry forward the teachings of Baba Hari Dass through sadhana, satsang, and karma yoga, a membership based on commitment and service is essential.

Annual membership dues provide the needed funding and pledge of support for ongoing classes with Baba Hari Dass as well as the projects and institutions inspired by his guidance - including Mount Madonna Center, Pacific Cultural Center, Sankat Mochan Hanuman Temple and Mount Madonna Institute.

Members are the strength and foundation of the Fellowship and membership is a way of becoming involved in the service of maintaining and developing the programs and facilities we offer to serve the broader community.

Please review the membership categories and complete the attached application form. Applicants are eligible to receive the benefits listed in the membership categories upon payment of annual dues. Eligibility to vote in the annual Board of Directors election is subject to confirmation of membership by the Members at the Annual General Meeting.

In Peace,
The Membership Committee
